Dear Local Minor Hockey Representative,

On November 13 - 15, 2017, the City of Quinte West is proud to be hosting “The Eastern Canada Cup All-Star Challenge” tournament. This tournament will team up the most talented Junior Hockey players from Ontario, Quebec and the Maritimes to compete in front of various scouts from the NHL, NCAA and USPORTS. The games will be fast paced as the format is 2 – 20 minute halves.

We have worked out a minor hockey package which includes tickets to the 5:30, 7:00 and 8:30 games. There will be free entry for any minor hockey player wearing their team jersey and \$5 for the parent(s) accompanying the player. Tickets must be ordered in advance by the Hockey Team Representative so that group seating and payment arrangements can be made.

Not all teams have names yet but they are from 5 leagues:
The Ontario Junior Hockey League (OJHL), the Northern Ontario Junior Hockey League (NOJHL), the Quebec Junior Hockey League (QJHL), the Maritime Hockey League (MHL) & the Central Canada Hockey League (CCHL):
